# WELCOME TO THE NATIONAL FESTIVAL 2022!

FESTIVAL FOR ALL

**This is an extra-special Music for Youth Festival and we are delighted to be back in Birmingham for a celebration of young musical talent from across the U.K! There is a lot to celebrate this year: Birmingham is host to the 2022 Commonwealth Games, Symphony Hall has been re-developed with a brand-new façade and performance spaces, and, tickets to the National Festival are completely free to take part and to come and watch!**

This year's National Festival really is a celebration of the joy of coming together again to perform and experience live music after a two-year absence due to the pandemic. Whether you are a long-standing partner of Music for Youth or a member of the community who has never engaged with the charity before, *A Festival for All* offers something for everyone. More than anything, it is about showcasing talented young musicians from across the UK.

There is an array of exciting and inspirational musical activities on offer, including a Friday evening Showcase concert, a dedicated 'takeover' stage at the CBSO Centre and performances from jazz to rock to rap to samba and everything in between. Alongside the live music, don't forget to attend one of our workshops and Music Industry Day talks with leading industry experts, including representatives from TikTok and Punch Records.

We're delighted this year that Summaya Mughal and Robyn Richford will be hosting our main stages as well as a line up of expert Music Mentors to provide professional feedback for all of our young performers. There will also be young presenter co-hosts across the two days.

So, even if you're just at the Festival for a day – be sure to wander around the different venues, soak up the atmosphere and enjoy the huge range of music and performances on offer!

# SUPPORT US

## HELP US GIVE MORE YOUNG PEOPLE LIFE-CHANGING EXPERIENCES

### ABOUT US

Founded in 1970, Music for Youth combines a rich heritage with a simple mission: we believe that every young person should be able to participate in high-quality musical activities, regardless of background or musical style. Our annual programme gives young musicians of all abilities the opportunity to learn and make music together, and to take part in large-scale performance events across the country, for free. As a result, we are proud to work with approximately 60,000 young people each year.

As a registered charity, the support of businesses, trusts and foundations, and individuals is vital. We are immensely appreciative of all those who currently support us. However, we still need to raise a significant proportion of our income to ensure we can continue to make a positive impact on young lives.

### MAKE A DIFFERENCE

By making a donation, you will provide unique and memorable opportunities for young people:

- **£25** gives one young musician the unforgettable experience of performing at the Royal Albert Hall
- **£50** pays for a classroom of Primary School children to experience their first MFY Primary Prom
- **£250** provides a music mentor to support groups at our events

### HOW TO DONATE

#### AT THE FESTIVAL, PLEASE LOOK OUT FOR OUR DONATION BUCKETS

- You can donate anytime on our website at [mfy.org.uk/donate](https://mfy.org.uk/donate)
- If you would like to know more about supporting us or would like to discuss a gift, please contact [mfy@mfy.org.uk](mailto:mfy@mfy.org.uk)

# MUSIC MENTORS AT THE NATIONAL FESTIVAL

## WHAT IS A MUSIC MENTOR?

At our Regional Festivals, National Festival and other events and programmes, Music for Youth provides all performers with access to expert advice from professional musicians and music educators: our Music Mentors.

Our Music Mentors are the 'eyes and ears' of Music for Youth, feeding back on performance standards at every level, making recommendations for progression opportunities within our programme, giving expert advice; and contributing to the development of specific programmes and resources.

Music for Youth's Music Mentors are a highly valued part of our work and play a vital role as the face of the organisation at events and beyond. We work with people from all backgrounds and musical styles from classical to jazz, and from world through to urban and electronic music. You can find out more their roles here: [mfy.org.uk/get-involved/music-mentors](https://mfy.org.uk/get-involved/music-mentors)
